2022 General Board Policy / 2021 Annual Report

January 1, 2022

Dear Property Owner:

We want you to be informed about the Mills Central Appraisal District and your rights as a property owner. The pamphlet contains information on the board of director's policies and procedures for access to the board of directors, assistance for non-English speaking and disabled persons, and resolution of complaints to the board. It also contains information about the districts end of year audit, ratio study analysis, and value information.

We trust that you will contact our office if we can be of any assistance. The district's staff can answer questions and serve your needs on most matters that do not require board attention. The district's office hours are 7:30 a.m. to 5:00 p.m. Monday through Thursday and 7:30 a.m. to 1:30 p.m. on Friday.

Regards,

Chairperson
MCAD Board of Directors

Overview

General Information

The Mills Central Appraisal District appraises taxable property for the county, cities, and school districts in Mills County. There are six total entities that levy taxes within the district's boundaries. MCAD's primary function is to appraise property for property tax purposes. The district also collects for and distributes the tax levy to the specific entities. The district also administers exemptions, special appraisals, and determines the taxable situs of property. The Chief Executive Officer of the appraisal district is the Chief Appraiser.

The governing body of the appraisal district is its board of directors. The Appraisal Review Board hears property owner protests regarding values and other related matters, and is separate from the appraisal district.

Board of Directors

A board of seven directors governs the appraisal district. 6.03(a) of the Texas Tax Code states that to be eligible to serve on the Board of Directors must be a resident of the district and must have resided in the District for at least two years immediately preceding the date the person takes office. Board members select the Chief Appraiser, adopt the annual district budget, appoint the appraisal review board, select the chairperson and secretary of the appraisal review board, and ensure that the district follows policies and procedures required by law. The board does not appraise property or make decisions affecting the appraisal records.

Public Access to the Board of Directors

It is the policy of the board of directors to provide the public with a reasonable opportunity to address the board concerning the policies and procedures of the appraisal district and on any issue within the board's jurisdiction. Generally, the board's statutory duties and jurisdiction involve:

- Adopting the district's annual operating budget;
- Contracting for necessary services;
- Hiring the Chief Appraiser and assigning responsibilities to the position;
- Approving general policy regarding the operation of the appraisal district;
- Appointing Appraisal Review Board members and selecting the Appraisal Review Board's Chairperson and secretary.

Board Meetings

At each regularly scheduled meeting the chairperson of the board of directors will announce that anyone wishing to address the board on appraisal district policies, procedures, or issues may have five minutes in which to do so. The chairperson may expand the speaker's time as needed if doing so will not affect the ability of the board to complete its business and adjourn the meeting at a reasonable time. The board may refuse to hear any person who attempts to speak on a subject unrelated to the policies and procedures of the appraisal district, the appraisal review board, or any other unrelated issue under the board's jurisdiction. The chairperson may limit repetitive comments.

Interpreters

The district will provide an interpreter at a meeting if a person who does not speak English or communicates by sign language notifies the Chief Appraiser at least five business days before the meeting. The person must indicate that he or she desires to address the board and is unable to provide an interpreter.

Access by Disabled Persons

MCAD's office at 901 Sixth Street has van accessible parking for disabled persons in front of the building. The board meeting room is also wheelchair accessible. A person who needs additional assistance for entry or access should notify the appraisal office in writing at least five business days before the meeting so the district can make appropriate arrangements.

Policies for Resolving Complaints

The board will consider written complaints about the policies and procedures of the appraisal district, the Appraisal Review Board, the Board of Directors, or any other matter within its jurisdiction. The board will *not* consider complaints addressing any matter that could be grounds for a challenge, protest, or correction motion before the Appraisal Review Board as set out in the Tax Code. The Board of Directors has no authority to overrule the Chief Appraiser or Appraisal Review Board's decision on a value, a correction, or a protest. Complaints should be mailed to:

Mills Central Appraisal District
Attention: Chief Appraiser
PO Box 565
Goldthwaite, TX 76844

At each regularly scheduled meeting, the Chief Appraiser may report to the board on the nature of complaints and the status of resolution, if there is any. Board deliberations concerning complaints will comply with provisions of the Texas Open Meetings Act, Chapter 551, Government Code. Until final disposition of a complaint, the board is to notify the parties at least quarterly on the status of a complaint unless notice would jeopardize an investigation.

The Chief Appraiser and Property Appraisals

The Chief Appraiser is the Chief Administrator of the appraisal office. The Chief Appraiser serves at the pleasure of the board and is directly accountable to the board in the discharge of his or her duties and responsibilities. All other personnel of the appraisal office are employed by and accountable to the Chief Appraiser. The Chief Appraiser may delegate authority to district employees, as necessary. The Chief Appraiser and his or her staff appraise the properties in the appraisal district. If you have a concern about property appraisal, you should discuss it first with the appraisal district's staff. Complaints that cannot be resolved at the staff level should be addressed by written protest to the Appraisal Review Board.

Appraisal Review Board

The Appraisal Review Board is responsible for hearing and resolving protests from property owners concerning appraisal of their properties. The Appraisal Review Board's duties and a property owner's right to protest the appraisal of his property are more thoroughly explained in the booklets entitled *Property Tax Basics* and *Appraisal Review Board Manual*. Both of these booklets are available at the appraisal district's office or from the Texas Comptroller of Public Accounts at www.window.state.tx.us/taxinfo/proptax.

Collections

Mills CAD averages 98% collection rate across the district. Our practice is to work with tax payers in order to collect taxes due to the entities. Collections are distributed to the entities, at a minimum, once per month. The district does not keep any portion of collected taxes, but rather disburses 100% to the entities.

MCAD Staff

MCAD has three employees; chief appraiser, collector/secretary and deputy collector/office manager. All employees are registered with the State of Texas as appraiser, collector, or both. Every employee is expected to attain certification in the appropriate field and attend continuing education to ensure licenses are up to date.

Ratio Study Analysis

The Property Tax Assistance Division conducts a bi-annual study to determine variance from market value. In 2019, the weighted mean showed values to be at these percentages of market:

<u>Category</u>	<u>Percentage Compared to Market Data</u>
Single Family Residence	96.14%
Rural Land	96.55%
Ag Land	96.71%
